ALTON INFORMATIONAL MEETING ON IMPROVEMENTS TO NH ROUTE 28
FOUR MILES BETWEEN TRAFFIC CIRCLE AND NH ROUTE 28-A

The New Hampshire Department of Transportation announces a combined Public Officials/Public Informational Meeting will be held Thursday, May 30, 2002 in Alton to review and discuss proposed improvements to NH Route 28.

This project begins 200 feet north of the Alton Traffic Circle and proceeds north for four miles, ending 200 feet north of NH Route 28-A. It involves pavement rehabilitation, widening the shoulders from four to ten feet, intersection improvements at Old Wolfeboro Road, Bay Hill Road, and Route 28-A, ledge work and guardrail replacement.

The May 30 public meeting to display the current concept and obtain input will be held at 7:00 pm at the Alton Town Hall (second floor), 1 Monument Square in Alton, NH. A formal presentation will be followed by a question and comment period.
